REPORT ON 2009 MINI OLYMPICS

Well, another year has passed and it was with great anticipation the Camera Club entered this years Mini Olympics.

The team consisted of John Campbell, Jose Sergio, Marcia and Frank Pidgeon, managed by Lyn Keane.

Our first event was at Shuffle Board, against the Golf Club. The A team took their positions at the table and after many valiant attempts to keep the puck on the board, our team eventually went down to the Golf Club.

It was now Team B's turn to give it their best shot at their first event. They had to face the Table Tennis Club at Table Tennis. Enough said.

So after a very sad start, we thought things had to get better. We were looking very good at the euchre table against the Lawn Bowls Club, 1 point ahead, bell having been rung, three minutes to go, when the opposition, who had dealt the hand said "I'm going alone".

Oh well, what can one say except that our team went down fighting.

One member nearly brought the house down at the darts tournament, much to the amusement of Directors and Managers.

Much fun was had by all on the night and the team manager is very proud of you all and thanks you for your dedication.

Lyn Keane.

P.S. There is a position open for Team Manager for the 2010 Mimi Olympics, as this year's team manager has been asked to stand down.

FCC Interclub Competition – 2009

Congratulations to our members whose images were selected for this year's competition. This year we only entered in the small prints, large prints, monochrome prints and digital images sections. Our best result was in the small prints where we came fourth.
