On Sunday 31<sup>st</sup> August, 9 Camera Club Members met at Bicentennial Park for a Photographic Talk by Malcolm & David. Early in the morning the weather was not very encouraging but we enjoyed the talk, question time, picnic lunch and a stroll through parts of the park taking photos before the rain came. But even then we were able to shelter in an undercover educational area where Malcolm proceeded to give a demonstration on flash photography. Thank you Malcolm & David.

On Tuesday 2<sup>nd</sup> September members from Dooleys Camera Club accepted the Invitation to attend Castle Hill Photographic Club where a presentation by Peter Eastway on Travel Photography & Photoshop techniques was held.

There is another Invitation to attend a presentation by David Oliver on Low Lighting which will be on 7<sup>th</sup> October. If any member is interested please let me know before 20<sup>th</sup> September.
